

864795 CLEANROOM COAT

Description:

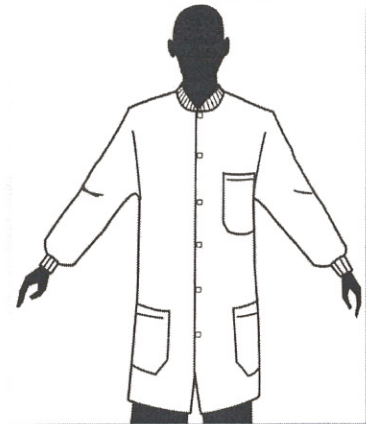

Latex free, low linting lab coat for use in critical and low particulate clean environments. High filtration fabric holds out 98.8% of particles at 3 microns, and also provides excellent splash protection from many fluids. Features include a snap front, knit wrists, knit collar, and three pockets.

Fabric Info:

Fabric is constructed from a laminated three layer non-woven fabric that contains a high filtration center layer.

Individually inspected for sizing, stitching and workmanship.

Material Weight: 60gm/m2

**General Info:**

ISO Class: 6 / Helmke Drum Testing

Sizing:

Flammability: Class 1
